# A LIFE SO BEAUTIFULLY LIVED DESERVES TO BE BEAUTIFULLY REMEMBERED

Life is a gift, death is a certainty. We are all mortal human beings. Everyone makes a strong effort to make their lives beautiful, why should death be an exception, especially considering that it is our last interaction with the world. If we plan our life so should be the case with the inevitable death. You can never be sure who will be there to offer you a gracious farewell. It's a sad reality but your near and dear ones may find it difficult to plan a funeral of your wishes.

GONZ is a platform that allows you to proactively personalize your funeral.

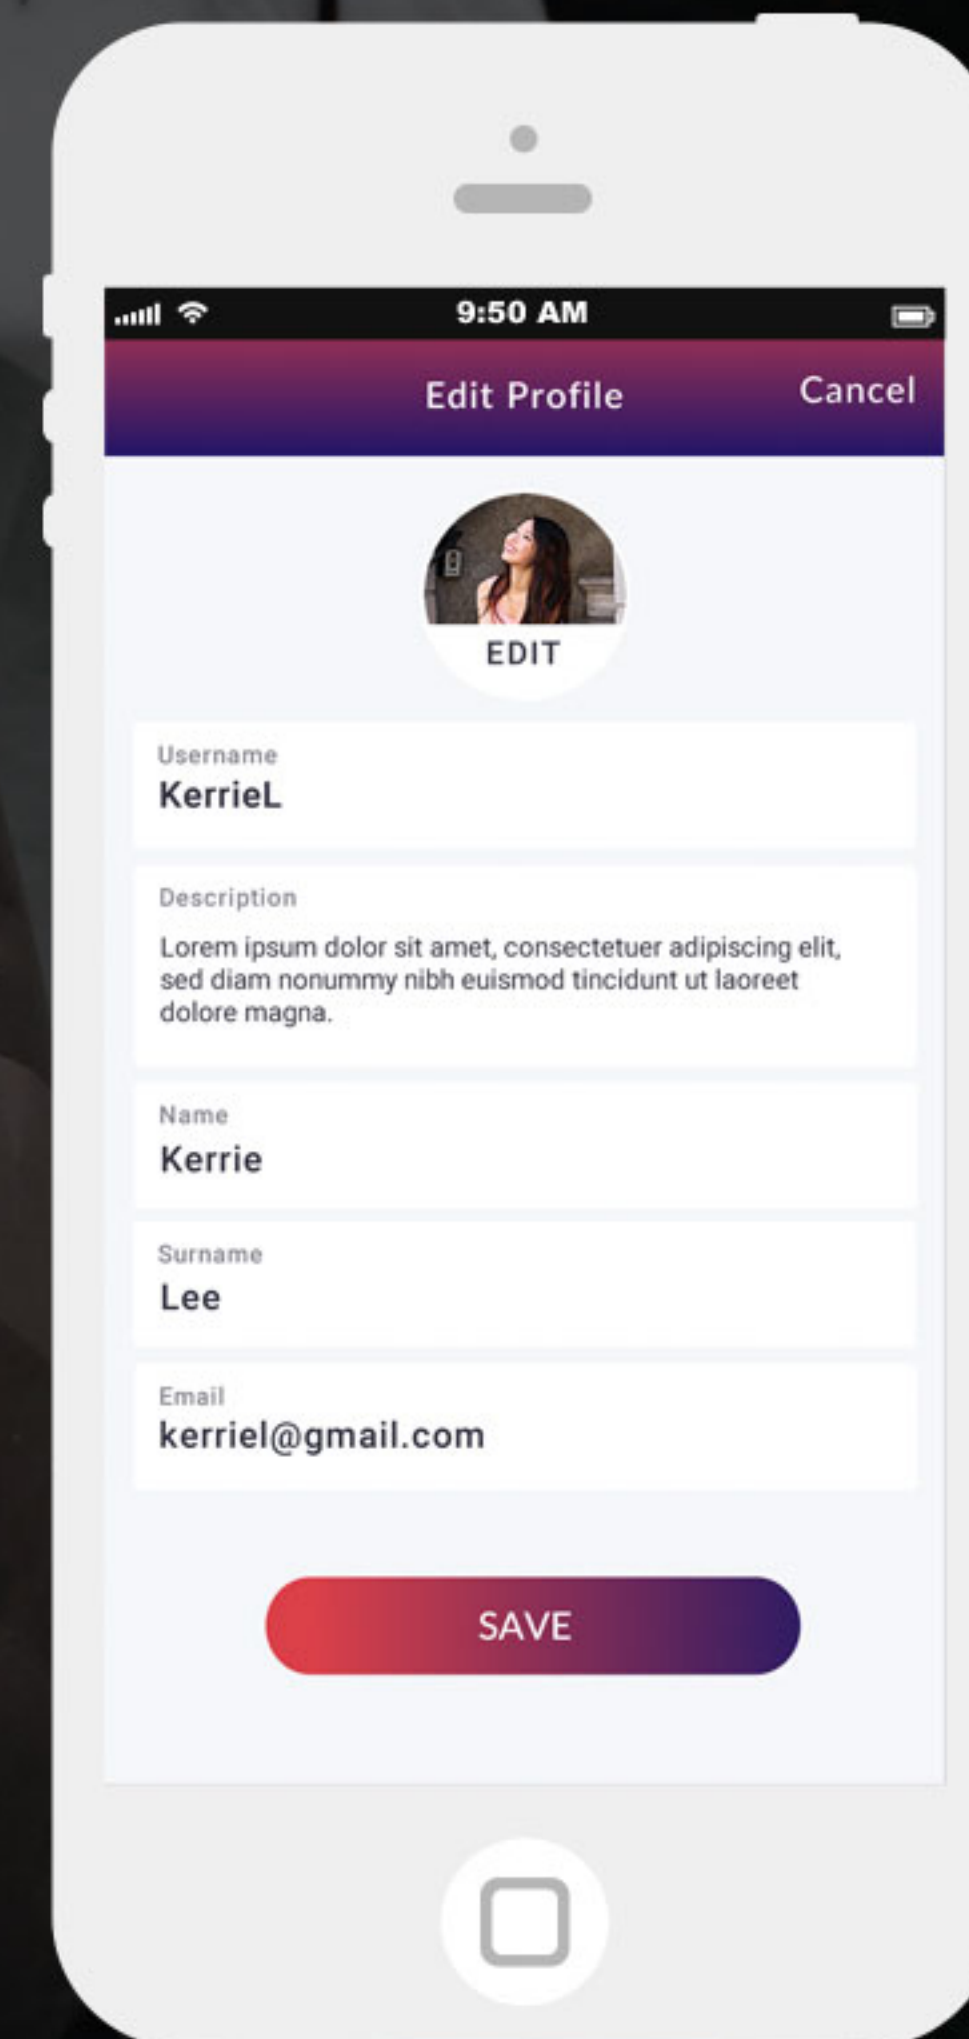

## FUNERAL IS CELEBRATION OF YOUR LIFE.

If life should be celebrated so should be the death. GONZ app offers you the discretion to plan the funeral the way you want it well in advance. In fact, celebrating the ultimate demise is a wonderful idea. When we are born it brings smiles to many faces, so should be the case with the death. GONZ offers you the features to make your death momentous leaving behind a feeling of redemption which your loved ones will cherish and treasure lifelong.

# MICROMANAGE EVERYTHING

GONJ offers you the opportunity to have your funeral ceremony conducted exactly how you like it. Nominate people who will ensure that your wishes are carried out word for word and make a lasting and endearing impression on your social network.

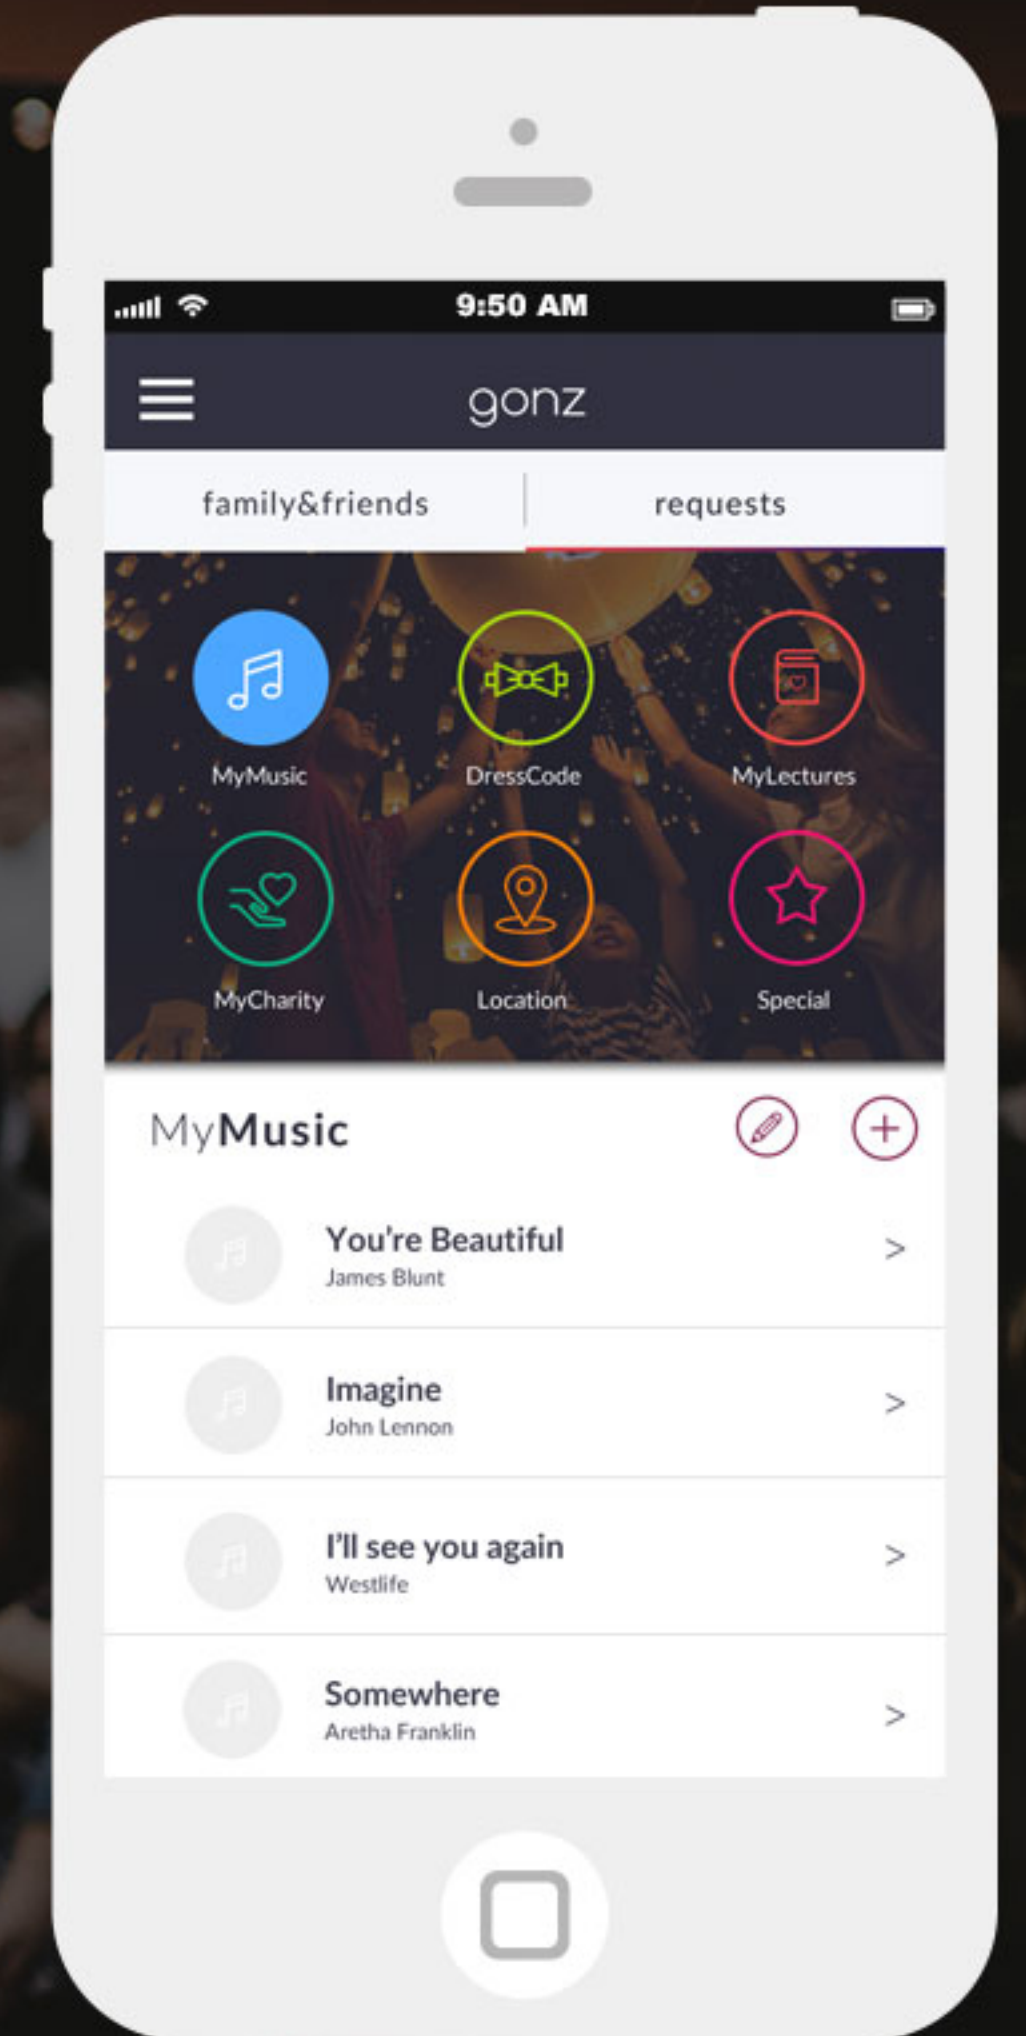

Venue- Tell people where you may want your service to take place or even the venue for your after celebration or wake.

Music- Choose your favourite music to be played, note why it is special to you, save the link so that they can be listened to; even express when you want the music to be played, change your preference time.

Readings- Make a list of any special reading, poem, quotes or extract from the book of your choice, and even state which individual you would like to read them. Make changes instantly.

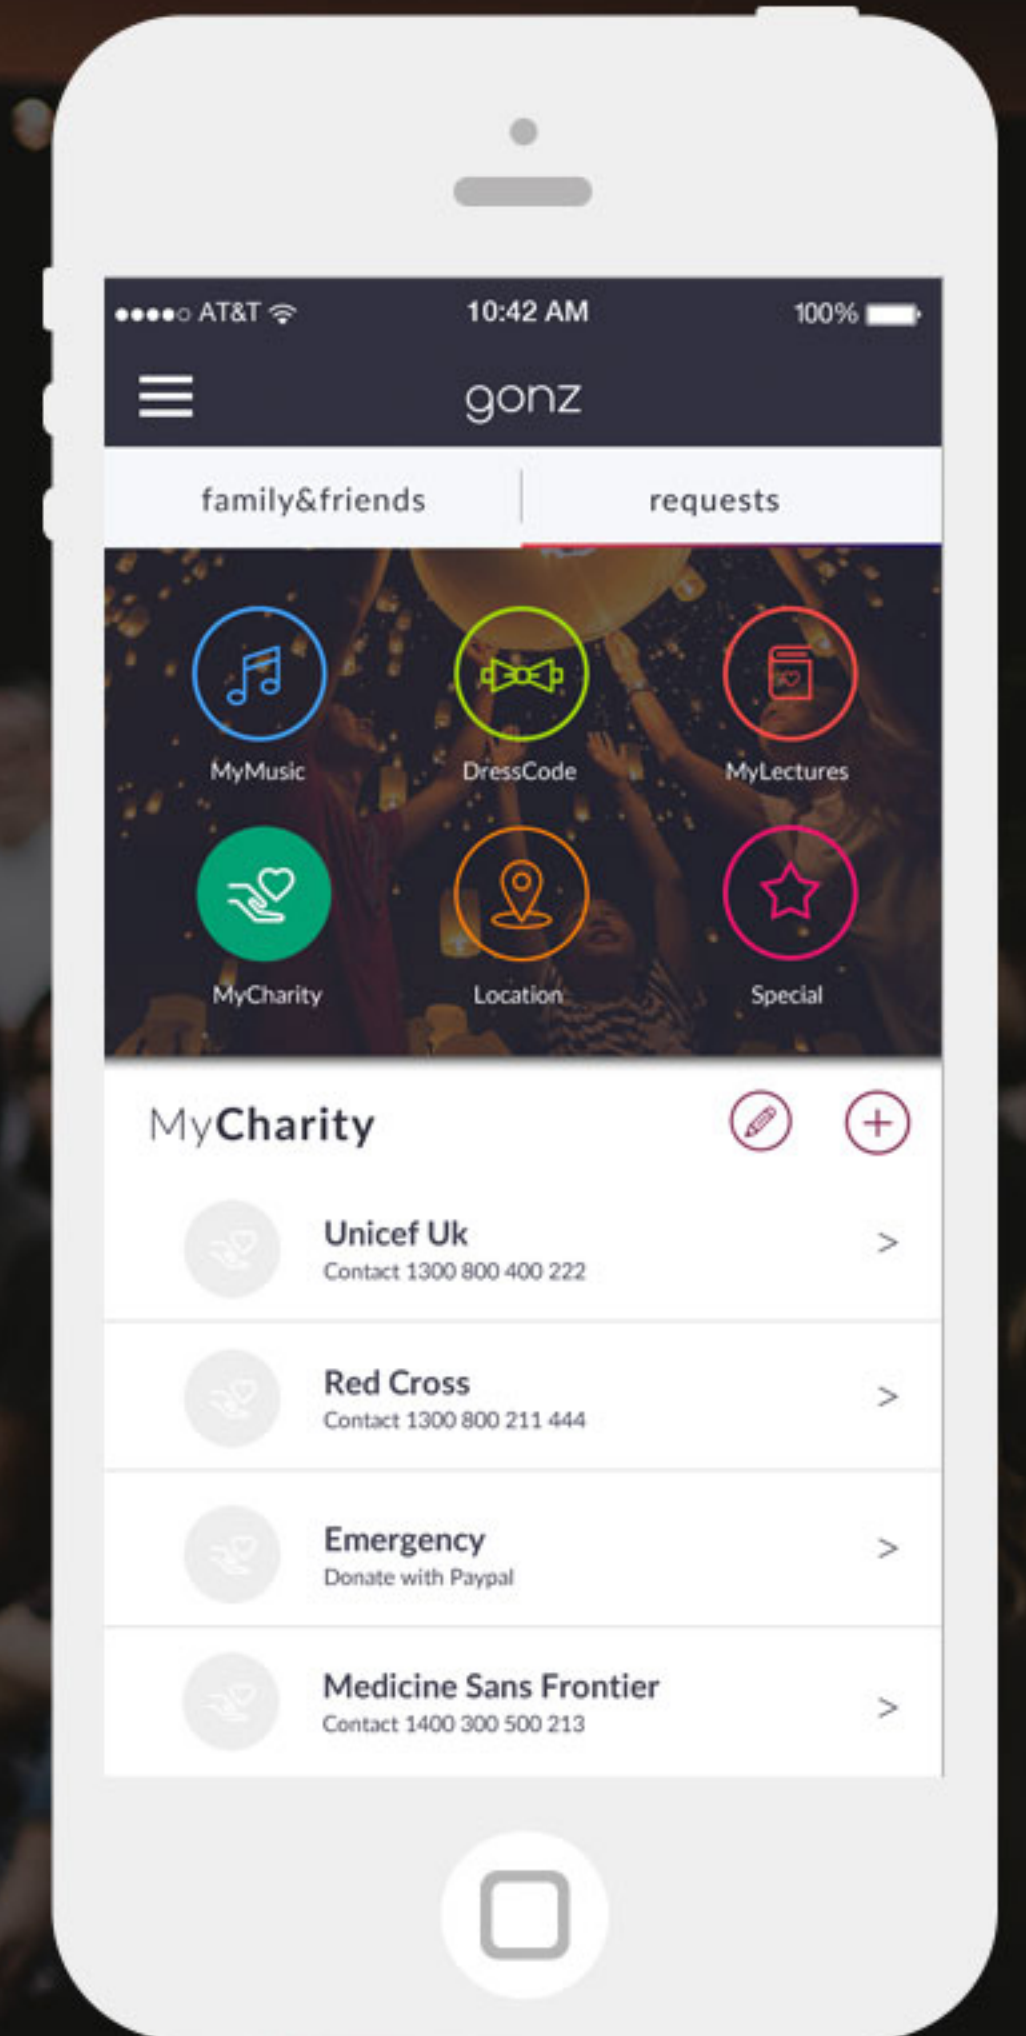

Dress code- Let people know what you would like them to wear. Should it be bright and colourful or team colours

Charity- Let the charity you make to the society be read. Ask people to make a donation to your preferred place.

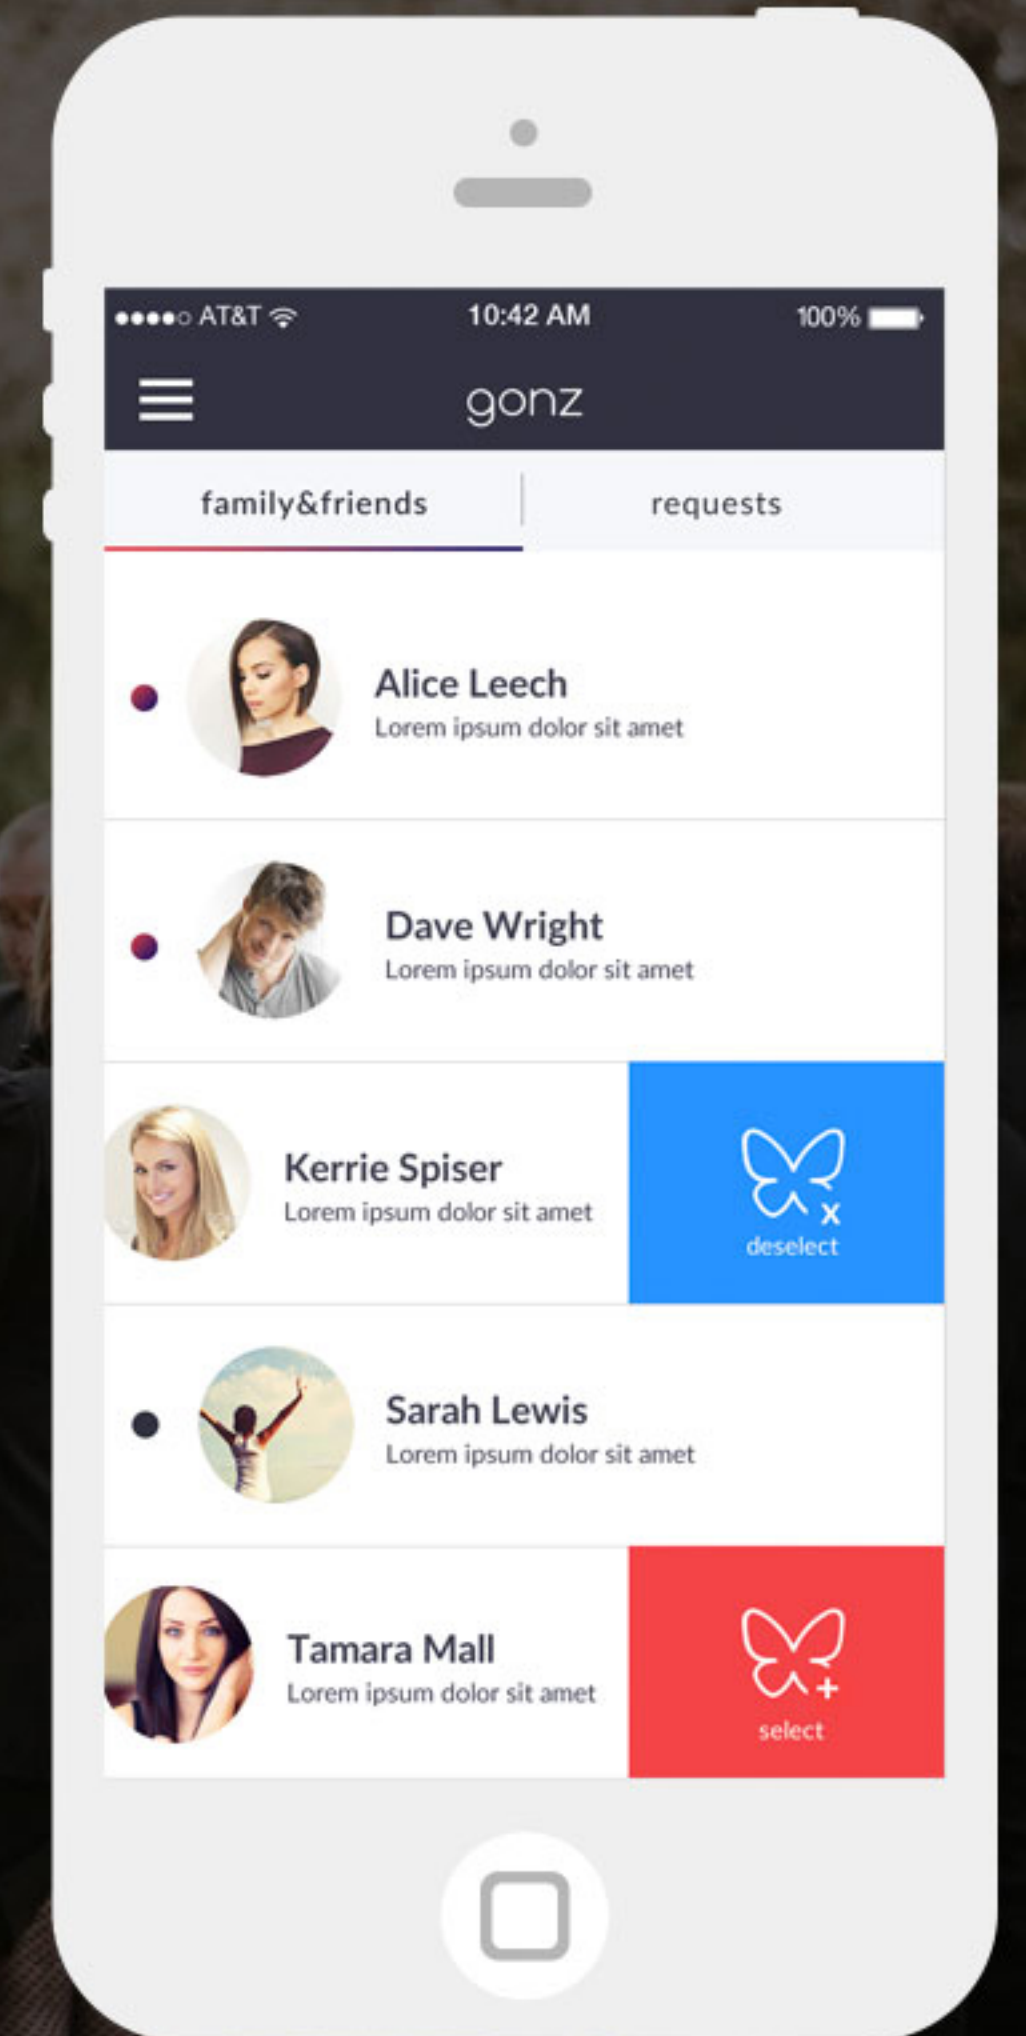

Special request- You may have a unique request to be carried out during the funeral celebration

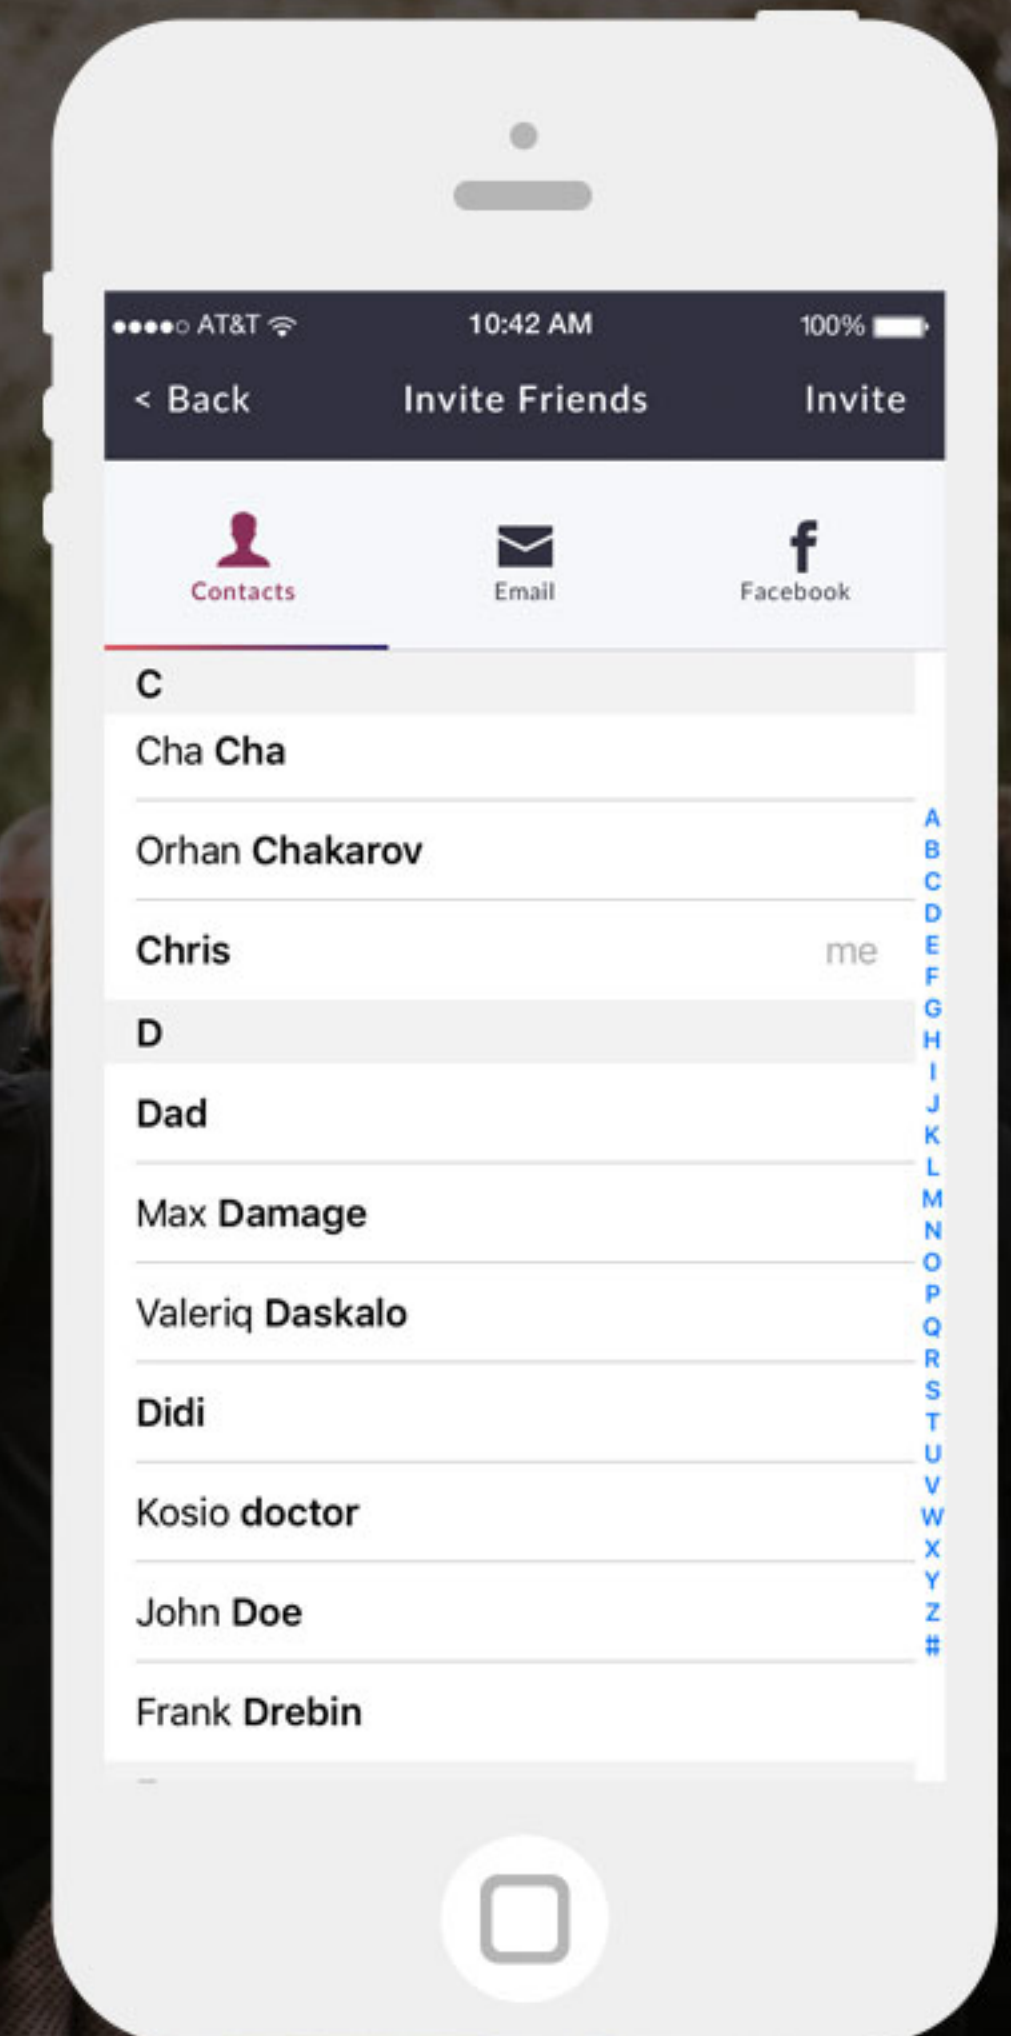

# APPOINT PEOPLE TO PRESIDE OVER YOUR FUNERAL

GONZ offers you the agency to make up to six nominations who can preside over your funeral. You can send a request to individuals to be your nominee. Decide in advance your trustworthy people to take care of the imperatives. You can't leave nominations to chance. The world is riddled with unscrupulous people who you simply can't depend upon. Moreover, you can substitute one nominee for other as you deem fit, during the course of life.

## BE A NOMINEE FOR OTHERS

You may never know as to how the deceased would have wanted to have his funeral ceremony. This is made possible through GONJ. People can predecide everything, the music, dress code, readings, charity, venue and also make a special request. Therefore nothing is left to imagination and chance. You simply have to carry out the instructions of the deceased who made that instruction during his life. Therefore an error-free funeral is guaranteed
